CONFLICT OF INTREST
Marxer & Partner switched sides and advised Lady Monika and Lord Luis BACARDI, however not disclosing their earlier mandate on behalf of other BACARDI family members and companies. Dr. Bernhard Marxer is also a Board Member of BACARDI Ltd. for many years and thereby culminating his massive conflict of interest.

A predecessor of the Bastille Trust was the **Corniche Trust**. It may be helpful to get documents of that trust from either Dr. Walch or the Court, given that a court case was fought over the Corniche Trust between Lord Luis BACARDI and his contingent beneficiaries between Mr. and Mrs. Bacardi against Dr. Walch and Lady Monika. **Dr. Widdowson will inquire with the court whether Mr. Bacardi was a party to that proceeding.** If so, Dr. Lorenz will use the power of attorney issued by Mrs. Bacardi and his estate to claim copies of the court file.
